CHANGE OF WINDOW DIS- PLAYS.

Last week you saw our large window
filled with refrigerators and ice boxes
of all sizes.

This week you can see, in their place,
several hundred useful articles for
your home.

Last week, in the small windows, you
were attracted by a pretty display of
beautiful articles in cut-glass, art pot-
teries, fine china, and sterling silver.

This week you will find a display of
piano, banquet, and table lamps, at
very reasonable prices.

When we advertised that we would
take old stoves in part payment for
new, you were surprised to find that
although you thought your old stove
was worthless, yet we made you an
allowance, and removed it from your
premises.

You found that the work we did for
you in connecting the boiler to your
new stove, was very satisfactory.

You never could get hot water as
quickly before, with as little trouble.

You are finding out day by day that
we are not holding out promises or
inducements to our customers that are
not bona fide.

You found, by actual experience, that
the refrigerator you purchased from
us used less ice than your old one.
(This is gold fact.)

That dinner set that you purchased
looks just lovely on the table, and is
admired by all your relatives, and how
comfortable it is to know that you can
replace any breakage in our stock.

The rubber hose that you purchased
from us under a guarantee, gives you
worry.

You know that you will not have to
purchase another one for a year, at
least.

Those cut-glass tumblers, at \$3.50 per
dozen, that we persuaded you to buy,
in place of the blown tumblers, at \$1.00,
are proving a good investment, and
what a superior shape they are to
what you have been using.

If you will spend a little time in our
store, when you are down town, we
will show you some of our other articles
that are good investments.
